

# Wise Words for Teens

*Piercing Proverbs by Melody Carlson*

Teenagers' Bible Class  
Bedford Street Church of Christ  
Quarter March 6, 2022 – May 29, 2022

## **Bible Class Description**

This is a class about how to become a wise teen. More and more teens find themselves growing up in a world lacking in godly wisdom and direction. In this study and using lessons from the book, "*Piercing Proverbs*" the teacher will offer solid messages of the Bible to make the proverbs come alive. Proverbs was written with a vital group people in mind – young people right on the edge of adulthood. Such common topics of teen life as friendships, family, money, and mistakes will be discussed through the eye of the wisest man who ever lived in the ancient world - Solomon.

## **Bible Class Expectations**

Students are encouraged to be on time and come to class having reviewed what was previously discussed and any readings. Students are encouraged to keep a note folder and keep any paperwork and assignments in the notebook and bring this to class on Sundays.

## **How Class will be Taught**

Discussion, visual presentations, in class oral quizzes on previously discussed readings. Periodically students will have homework.
