

We Are God's Household and Oh, What a Privilege!

Lesson Series from February – June 2024

Syllabus

Teaching this Series: Claudette Norville

Just as God has given direction for the composition and function of our individual households, He also has instructions for His household, the Church, as seen in 1 Timothy 3:14 - 15, Ephesians 2:19, and 1 Peter 2:5.

The aim of this lesson series is to illustrate and apply these truths so that by the end of this study we will:

1. Grow in our love for one another.
2. Fully function as members of the Bedford Street household.
3. Be an epistle for those outside of the Body of Christ.
4. Continue to grow into the image and character of Christ.
5. Learn, grow, and hold one another accountable as we run with love and perseverance the race set before us.
