

Women's Ministry and LBC Update

Bedford Street Church of Christ

For Sunday, August 14, 2022

THIS SUNDAY IN THE LBC – We continue in the theme, **“ARE YOU BEING WISE OR ARE YOU BEING FOOLISH?”** This Sunday we will focus in chapter 5. At first, I was going to leave this chapter to be read on your own BUT it is too rich with wisdom to not spend focused time in this chapter.

Speech #8 is contained in chapter 5. As you read it through multiple times, look for the exhortations, what are the main messages, who are the main characters and why is this chapter in *THIS* book? As in the other chapters, pay attention to pathway language. Circle it/highlight it when you see. Over the last two weeks, how did you apply the lessons of wisdom to your life? See you this Sunday. ~Fedjina

For the studious sister who is reading ahead, read all of chapter 6 but our focus will be in speech #9 from Proverbs 6:20-35 on 8/28/22~Brittney.

WOMEN'S UPLIFT EVENING – SISTERS and SWEETS - Friday, July 29, 2022

About 14 sisters had a wonderful time on the front porch of the Norville's at this past Women's Uplift evening. Barbara shared with the sisters from her journey to God as she beautifully spoke of her **“Mountains and Valleys”**. Her message was encouraging to all of us. A thanks to Claudette and Renee for hosting us and providing the sweets and beverages. An 'ALL OUT' thanks to Eleanor who quietly works behind the scenes to get volunteers to help bring the evening to life. Finally, a huge thank you to all sisters who attended this last Uplift for the year. Sign Up on the Media Table near the front entrance to the building.

JUST AROUND THE CORNER - Saturday, August 20, 2022 – Ladies' Day of

Inspiration – Bedford Street – On Saturday, August 20th, at the Knights of Columbus Function Hall, next door to our building, we will be hosting our Ladies Day of Inspiration. **Crowned with Confidence and Thriving in Christ Jesus (Psalms 46:1-5).
