

Women's Ministry and LBC Update

Bedford Street Church of Christ

For Sunday, September 25, 2022

THIS SUNDAY IN THE LBC – “ARE YOU BEING WISE OR ARE YOU BEING FOOLISH?” This Sunday we will look at the 10th speech from Solomon to his son. Read 7:1-27. Look for the words of exhortation, the lessons Solomon wanted his son to learn, and the conclusion.

Who are the prominent people in this chapter? If you could sum up chapter 7 in 1-2 sentences, what would you say? In the link below, I have included a YOUTUBE titled “**THE BIBLE EXPERIENCE – PROVERBS**”. I am finding this to be an enjoyable, thought-provoking way to listen to Proverbs when I’m driving. You can fast forward to Chapter 7 but why not listen to 1-7. Please listen to it a few times before LBC this Sunday. My expectation is that you will have read chapter 7 and will be ready to discuss it.

On October 9th we will be in Chapter 8 listening to the 3rd poem from Lady Wisdom, for those who want to read ahead ~Lynne.

FAMILY EMPHASIS MONTH (F.E.M) – September is Family Emphasis Month at Bedford Street. We will continue to meet and study through Proverbs on the 4th Sunday. Let’s use this month to make sure you have memorized at least 8 scriptures from Proverbs. I recommend you memorize one scripture from each chapter – BUT MORE IS FINE. **Who will be ready to quote memory verses from Proverbs?**
